

FIRST UNITS OF DRAFTED MEN REPORT FOR CANTONMENT ORDER

Railroad and Meal Tickets Issued to Recruit-Leader in Charge of Each Detachment From Every District of United States; First Units Leave Tomorrow; President's Message to the National Army.

WASHINGTON, D. C., Sept. 4.—Drafted men of the first regiment, going to the cantonment, were reported today to local boards in all districts to receive instructions and railroad and meal tickets. Most of them will be given permission to spend the night at home, under orders to report again to the board shortly before train time tomorrow.

20,000 Men Going.
About 20,000 men, most of whom have been selected because of previous military training or experience as cooks, are included in the first units. By tomorrow night they will be on their way to the 75 cantonment camps, where they will be housed, except those of Yankton, S. D., and Lincoln, Neb., where construction is not completed.

Recruits in Charge of Squads.
Each district's quota will be placed in squads of 100 men each, and will be given war department orders for transportation and meals and authority to command the men until they reach camp. Arrangements for traveling expenses already have been made by the local boards.

Wilson's Message to a Soldier.
A letter from president Wilson, while public today by the white house, addressed to Thomas L. Chubb, a private of the 10th regiment, is a national defense, New York, reads as follows:

Would Like to Go With Them.
"These are the men on September 4, who are going to the cantonment. They are the men who will be with you in the field and in the trenches where the real and final battle for the independence of the United States is to be fought, alongside the other people of the world, struggling, like ourselves, to make an order of things which has threatened the integrity of their territory, the lives of their people, and the very character and independence of their governments. And then God speed for you from a very far heart."
